INTERNATIONAL ARBITRATION IN A NOT SO "FLAT" WORLD: PRACTICAL CONSIDERATIONS FOR COUNSEL AND THEIR CLIENTS

TOPICS

Still a non-flat, bumpy world?

To what extent does the choice of seat among the world's top arbitral venues still matter?

Diversity in arbitral appointments:

What can or should be done to flatten the playing field?

Does Brexit break it? What does Brexit mean for dispute resolution in London and beyond?

The use of technology in cross-border dispute resolution:

Enhancing the efficiency and accessibility of international arbitration?

The backlash against TPP, TTIP and other manifestations of a flat world:

Implications for international arbitration.

The rise of third-party funding:

Effectively flattening the playing field between haves and have-nots?
